The Kalamazoo Living History Show is the largest, nationally recognized, juried show in the Midwest devoted to pre-1890 original or reproduction living history supplies, accoutrements and related crafts. More than 10,000 historical reenactors from pre-Revolutionary through the Civil War, history buffs, collectors, and visitors from 18 states and Canada come together for a festive weekend to buy, sell and trade. The event attracts over 270 of the finest artisans and dealers of living history supplies and related goods from throughout the United States.

The Kalamazoo Living History Show was created in 1976 to bring history alive and entertain as well as expose visitors to some of the most fascinating times in our history. Each year the focus of the show changes allowing various historical reenactment groups, organizations, and individuals, dressed in period clothing, the opportunity to host the show and share their knowledge and enthusiasm of history with all of us.

Anyone attending the show in pre-1890 style clothing will be eligible for a drawing on a door prize each day.
